

Over a very boggy course 26 year old Harry Holmes became the third claret and gold vested male athlete to win the race the others being John Heneghan in 2004 and Graham Patten in 1995. Harry is in fine form at the moment and crossed the finish line 49 seconds ahead of BOFRA champion Ted Mason with another Wharfedale Harrier Jack Smith third. Marc Sennett in eighth anchored Wharfedale Harriers to the team prizes behind Ted and Jack. 'This was my third year running the Withins, and for the second year saw me making the trip up from Derbyshire. It has to be quite a race to pull me past all which the Peak District has to offer, and luckily Withins has it in spades. Fast running, exciting descents, nice views, plus free tea and biscuits. On the day the weather was lovely up on Penistone Hill, unfortunately the underfoot conditions didn't quite follow suite. The race started off pretty fast with 18 year old birthday boy Matt Merrick setting the early pace through the quarry and across the road. By the time we reached the moor I had just managed to get ahead and managed to get a bit of a lead on my way up the Stoop. The rest of the race went by without too much drama, except a waste deep dip into a bog and a bloodied knee following a fall after Bronte Bridge. Ever since my first Woodentops race, Withins in 2015, I have wanted to win one, not least because of the prize giving. Being piled up with chocolate, beer, Halloween hat, inflatables and a pumpkin seems quite a good way to celebrate a win. Having actually won the race though the task, and inevitable barrage of abuse from Dave if I dropped anything, seemed a lot more daunting. I didn't want to let the Yorkshire side down. Dropping prizes is for Lancashire runners. Luckily I didn't buckle under the pressure / prizes. The prize giving ended with the famous chocolate throw out. This time I was on the chocolate throwing side, which is definitely much easier than attempting to catch flying confectionary,' said a very happy Harry Holmes. Graeme Brown won the V40's finishing sixth overall, John Mason won the V50's, Thornton Taylor the V60's and his brother Ken Taylor the V70's smashing the old record by 4 minutes. 29 year old Emma Clayton of Leeds City returned to the race to win the ladies finishing 20th overall with Caitlin Rice in second and English Fells FU23 champion, 19 year old Hannah Russell third and Yorkshire Fells senior and FU23 medallist Annie Roberts fourth. 'After a year of injuries, ill health and almost falling out of love with running, it was time to rekindle the love in the only way I know how....by hitting the hills. I'd been looking forward to Withins Skyline for weeks and woke up on Sunday like it was Christmas morning, jumping out of bed and eager to get going. It had been a good few years since my last fell race and I hadn't raced Withins since 2009. Although I knew what to expect during the race, it was still going to be a little shock to the system. Apparently (according to my dad) I'm not a fell runner anymore and I've turned soft. He might be right in parts, as I was definitely happy to see the sun shining when we arrived up on the moor but I'm pretty sure everyone was. Nothing beats a sunny, crisp autumnal morning in Yorkshire. From the moment you arrive at one of the Woodhead's races, they're unmistakable. Turn up, pay your £4 and in return you are handed your number, some pins and a Curly Wurly. Dave was being the ever commanding showman. Despite being dressed head to toe as the Grim Reaper, you can't mistake his bellowing Yorkshire tones. Leaving the cricket clubhouse, there were hundreds of junior runners (not to mention the witches, wizards and skeletons) getting ready for their race and watching them fly down the quarry actually had me wincing. I was in awe of some of their descending. I think when you're younger you have no fear and you literally throw yourself down the hill. Time to switch the brain off and get running. 350 fell runners congregating in the middle of the quarry, there's no better sight. You feel the community atmosphere, chat with old friends and make new ones. We were obviously waiting to start a few metres in front of Dave's preferred start line as all of a sudden, those bellowing Yorkshire tones were back, echoing around the quarry, as the Grim Reaper wanted us all to move back 10 metres as he meandered down the steep quarry wall. Once we were in his desired position and after a quick Happy 18th Birthday sing to the Merrick twins it was time to get going. Simple plan, run hard for the climb and then see if I can still descend. Managing to overtake a lot of the fast starting men, I worked hard on the climb and felt really good until we hit the mud and bogs higher up. Ankle deep in parts, I remembered what fell running was all about and I was loving every minute of it and I actually managed to push hard on the descent until we hit the tracks lower down when I could pick up the pace to chick a few more of the senior men. One small climb up across the fell to the car park and over the ridge to see Dave still in the same spot taking his photos as he was in 2009. It was lovely to chat to Caitlin Rice and U23 Fell Champ Hannah Russell afterwards. I remember talking with Hannah at the FRA end of season Junior Awards a few years ago and it's been nice following her progress since. It was also nice to hear that she's now at Leeds University, so I'm sure I'll be able to take her on a few runs around Yorkshire to save her travelling back to the Lakes every weekend. None of Dave's races could end without his infamous prize giving ceremony and luckily no one was injured after my mountain of cakes, chocolates, biscuits, beers, cuddly toys and Halloween paraphernalia collapsed and hit the floor. Dave and Eileen epitomise fell running and the fell running community. It's nice to be back' said ever smiling Emma. Jo Buckley won the FV40 and led Calder Valley to the ladies team chocolate prizes with Lindsey Oldfield tenth and Trudi Entwistle 14th. Sarah Haines won the FV50 while Stainland Lions Aileen Baldwin took the FV60 and Brenda Roberts of Saddleworth won the FV70 again. Wharfedale's BU15 Alex Thompson was the star of the junior races setting a new record of 5.46 beating Max Wharton's 2010 time by ten seconds with 202 juniors taking part in the various Quarry Rat Runs. Calder Valley's super star runners Samuel Annison and Clara McKee won the U9's races with 59 runners taking part, with Clara finishing third overall and just two seconds behind Samuel, what a talent. In the older combined junior Quarry Rat Races, congratulations to winners BU11 Luke Carrington, GU11 Katie Buckley, BU13 William Hall, GU13 Eve Whitaker, BU15 Alex Thompson, GU15 Alice Jones, BU17 Logan Hargreaves Madhas and GU17 Emily Jones. A special thanks must go to Mike Ayers 'King Rat' of Precision Pest Management for their continued support in attracting juniors to the sport of fell running. Mike dressed as King Rat judged the numerous and scary fancy dress costumes some of the juniors competed in and started the races. Over twenty fancy dress prizes were awarded at the prize giving along with the other race running prizes before the cricket ground saw chocolate flying through the air in the finale that is the chocolate throw out.
